Peregrine falcons

Hi, I am a peregrine falcon. I hunt prey.

Who? I like to hunt birds and rabbits.

Where? From the sky.

How fast am I?

390 km/h when diving.

Yum, yum! 😊

Raw meat is delicious.

These are my baby chicks.

Facts about peregrine falcons.

EYES

Their eyes are larger and heavier than human eyes

LIVING HABITAT

Cities - tall buildings, skyscrapers, bridges, pylons

Countryside – cliffs and tall trees

BABIES

March through May

3-4 eggs.

Both Mamai and Daidi sit on the eggs to hatch them

Daidi falcon is smaller than the Mamai falcon.
